"Copy"

for president,
K.G.F. Sanitary Board,

Report on the Administration of the K.G.F. Sanitary Board for the year 1942-43.

Part I.

AREA. The area under the control of the Sanitary Board including 33 village panchayats comprising 76 villages was about 30 ~~Square~~ miles in extent as before, with a total population of 1,34,186 according to the Census of 1941.

Constitution. The Board which was reconstituted in Government Notification No. L. 4606/Ml. 65-41-2 dated 29th November 1941, with effect from the 1st December 1941 continued to function during the year. As usual, it consisted of 20 members of whom 7 were ex-officio members, 7 were members nominated by the Mining Board, 4 were elected members and the remaining two were those that had been nominated to represent rural areas.

Mr. T. Ramaiya, B.A. (Hons), Deputy Commissioner of the Kolar District continued to be the President of the Board during the year. Mr. K.P. Ramanathiah, M.A., Special First Class Magistrate was the Vice-President from the 1st July 1942 up to 15-5-1943 on which date he was succeeded by Mr. Syed Abdul Aleem, B.A., who continued to be the Vice-President during the remaining part of the year.

Dr. W.E. Roantree having proceeded on Military Service, the nomination of Dr. A. Caplan, acting Chief Sanitary and Medical Officer of the K.G.F. Hospital, as a member of the Sanitary Board in place of the former, was approved by Government, in their Notification No. L. 11614/L.B. 49-42-15 dated 29th May 1943. Mr. N. Puttarangaswamy, B.Sc., Special Superintendent of police was transferred and in his place, Mr. A. Rangaswamy Iyengar, B.A., (Hons) L.L.B., took his seat on the Board from June 1943. There were no other changes in the personnel of the Board during the year.

New Bye-laws and amendments to existing Bye-laws. No new Bye-laws or Rules were sanctioned during the year. The enhancement of the fee on dogs and bitches from Re. 1/- and Rs. 1-8-0 to Rs. 1-8-0 and Rs. 3-0-0 respectively sanctioned in Government order No. L. 3777-80/L.B. 41-42-5

dated 6th October 1942, was brought into force from the 1st July 1943.

There were no fresh imposts of taxes during the year.

Meetings and attendance:- Six ordinary and two special meetings were held during the year and the average attendance was 15.0 (5.5 official and 9.5 non-official). The two special meetings were held for transacting the following business:-

23rd October 1942	For considering the Administration report for 1941-42.
7th June 1943.	For considering the Budget Estimates for 1942-43.

Sub-Committees. No sub-committee was appointed during the year of report.

Non-official Members:- The non-official members continued to evince interest in the several activities of the Board and extended their hearty co-operation in the administration of the Board.

Measures of initiative or development:-(1) Repairs to the Parandapalli road from Robertsonpet up to the Sanitary Board boundary at a cost of Rs. 7900/- approved by Government in their Order No. L. 2955-57/L.B. 30-41-14 dated 10th October 1941 which were undertaken during 1941-42 were completed during the year of report.

(2) The 3rd stage of construction of the sweepers' quarters at Andersonpet at a cost of Rs. 5000/-, in respect of which Government had been pleased to contribute Rs. 2500/- vide their Order No. L. 3239-42 M1. 53-40-93 dated 30-10-1941 could not be taken up during the year of report as no contractor came forward to take up the work in view of the prohibitive cost of materials. Necessary further action is being taken in the matter.

(3) The action taken by the president to open an additional section for the 1st year Class of the Sanitary Board High School from June 1943 with a view to meet the

meet the growing needs of the School, was approved by the Sanitary Board at their meeting held on the 18th June 1943.

Elections:- There were no elections during the year.

Part III.

Finance:- The general financial position of the Board as compared with that of the previous year is indicated in the statement appended hereto (appendix VI).

Opening balance:-The year opened with a balance of Rs. 15,018-3-6 as against Rs. 1,279-15-6 in the previous year. The cash balance at the end of the year was Rs. 36,625-10-7 exclusive of investments.

The total receipts inclusive of the opening balance were 1,98,979-2-9 as against Rs.2,09,290-9-8 in the previous year. Excluding the debt heads, the total revenue under service heads worked up to Rs. 1,66,776-6-9 as against Rs. 1,78,464-4-2 in the previous year.

The following statement furnishes items of increased realisations and deficits:

(14) Maintenance of the High school.	11380/-	11,010/-.	+ 370

The increase on the whole works up to Rs. 8882/- and the decrease amounts to Rs. 24,061/-, The net decrease in expenditure was Rs. 15,179/-.

The increase was mainly under "General Administration" and "Public Health":- Conservancy and Sanitation". The increase under the former head was due to i). the appointment of a Revenue Officer and two peons and ii) to the grant of dearness allowance to certain employees. The increase under the latter head was due to the increase in the salary of the Medical Officer of Health and to the grant of dearness allowance to certain employees including sweepers.

The decrease was mainly under (1) public works, (2) Epidemic charges, (3) water charges and (4) other items. The contribution due to the Epidemic ~~Deceases~~ Diseases Hospital was not paid for want of particulars as to the expenditure incurred. Water charges were paid only to the extent of the provision made in the Budget.

The decrease under "other items" as compared with 1941-42 was due to the fact that during 1941-42 the expenditure had increased on account of Civil defence and A.R.P. measures.

The work relating to the chemical and bacteriological analysis of the water of the Bethamangala tank was attended to by the Medical Officer of Health of the Sanitary Board. The total cost incurred under "Laboratory" during the year was Rs. 987-7-6 as against Rs. 1142/- in the previous year.

P A R T VI.

Water Supply:- The supply of water from the Bethamangala filters to the Sanitary Board area was adequate. The water charges paid by the Board during the year of report worked up to Rs.38,600/- as against Rs. 45112/- in the previous year. From year to year, the Board has been paying over Rs. 38,000/- by way of water supply and maintenance charges to the Bureau of Sanitary Engineering. Though this amount represents the entire charges, no part of the revenue derived from this area, is being paid to the Board, though the Board is entitled to all the revenue derived from water supply. This point was raised for examination in consultation with the Bureau of Sanitary Engineering.

Orders of Government were not received during the year with regard to the refund of the amount of water charges due to the Board, i. e., the amount representing the difference between the amount of water charges payable by the Board and the amount actually recovered by the Department.

Public street lights:- There were 219 street lights at the end.

the end of the year as detailed below:-

Overhead street lights of 60 C.P.	214.
Ornamental lamps of 250 C.P.	3.
do do 400 C.P.	1.
Cluster light	1.
Total	219.

The total cost of power consumed during the year was Rs.5063-9-0 as against Rs.5,999-9-0 during the previous year. The decrease in cost was due to the measures of economy adopted.

Accomodation to travellers. The Board owns two buildings for the use of travellers (i) Loganatham Mudaliyar's chatram and (ii) Musafirkhana at Robertsonpet. 289 travellers made use of the latter building and a sum of Rs. 242/- was realised as against Rs.329/- in the previous year. The expenditure for establishment etc., worked up to Rs.234/- as against Rs.218/- in the previous year.

Cattlepounds. Appendix XXii gives the details of income and expenditure under this head. The total income realised from the three pounds amounted to Rs. 997-5-9, the expenditure incurred being Rs. 337/-

Audit:- The Board's accounts for 1940-41 and 1941-42 were audited by the Government Auditors during the year.

Statistics of business.

High School:- As in the previous year, the strength of the school increased. The total number on the roll at the end of the year was 426 as against 344 in the previous year. The ~~results~~ results of the S.S.L.C. examination were very satisfactory. The total expenditure for the maintenance of the High School was Rs.11,380/- as against Rs.11,009/8/- in the previous year. The construction of a cloak room for the use of the girl students which was taken up in the previous year at an estimated cost of Rs.2824/- was completed during the year of report.

With a view to meet the growing needs of the School, an additional section was opened for the 1st year class in June 1943. Sanction of Government to the proposals of the Board in this regard was awaited.

Principal measures if any sanctioned during the year.

Principal measures if any sanctioned during the year.

The A.R.P. and Civil defence measures sanctioned by Govt. in the previous year were continued during the year.

A comprehensive surface drainage scheme at a cost of Rs.95,000/ was submitted to Government with a request to sanction the scheme with an outright Government grant to the extent of a moiety of the estimated cost. The scheme was under the consideration of Government during the year of report and was sanctioned subsequently, vide their Order No. L. 560-4/ L. B. 79-42-2 dated 12th July 43.

With a view to arrange for the proper collection of the Board's revenues, the post of a separate Revenue Officer was sanctioned by Government during the year as a temporary measure, for a period of two years, as resolved by the Board. The draft bye-laws framed by the Board defining the duties and powers of the Revenue Officer were under the consideration of Government. Pending orders of Government with regard to the transfer of the Mohatarfa collections from the Revenue Department to the Board, the Amildar of Bowringpet Taluk continued to be in charge of the collection of mohatarfa taxes.

With a view to systematise the work of the Saninary Board office and to place it on an efficient basis, sanction of Government was obtained to introduce the "Improved system of Office procedure" and sanction of the Board was obtained for the appointment of two additional clerks.

The question of extending the High School building with a view to provide accomodation to the increased number of students was taken up but the proposal did not fructify during the year for want of provision in the budget of the Department of Public Instruction.

General:- The Superintendents of the Several Mines, the Secretary of the K.G.F. Mining Board, the Chief Medical and Sanitary Officer and the other non-official and ex-officio members of the Board extended their hearty co-operation in the administration of the Board's affairs and the successful conduct of its business.

for President,
K.G.F. Sanitary Board,
